2. To Use a Ring You Already Own To Find Your Ring Size:

Place a ring you already own over the circles below. Your correct ring size will be the largest circle with lines still visible from the inside of the ring. Note the number that corresponds to the circle — this is your ring size. All ladies' rings are available in whole sizes 5 through 11. No half sizes. Limited availability of some rings in size 12 (Plus Size Jewelry Section). Men's rings available in sizes 9 through 13.
